

# DONATIONS AND ACTIVITY FEES 2010

## SCHOOL DONATION

- To provide the students at Remuera Primary School with the very best in education, the Board of Trustees requires a financial commitment from the community.
- The Board of Trustees encourages every family to contribute equally to the funding requirements of the school via payment of the donation so as to lessen the burden on all. If you do not pay, other families will be subsidising your child's education.
- The Board requests \$435 per student (\$217.50 for 3<sup>rd</sup> and subsequent sibling currently enrolled) to enable it to provide resources and facilities that Government funding covers for many schools but not for us.
- A decile 1 school the same size as ours would receive \$920,000 p.a. in decile based Government funding, while we only receive \$434,000.00 p.a. This shortfall, some \$754 per student per year, has to be made up – primarily by parent donations, supplemented by fundraising.
- If you find yourself genuinely unable to pay the full amount please feel free to discuss options with the Principal.
- If you do pay, thank you very much. The Board intends to publicly thank those who have paid the school donation in full.
- The Board intends to contact those families who have not paid the donation by reminder letter and phone.

*Your donation does make a difference to the quality of your child's education. Please include payment of your donation with your activity fees.*

**Activity fees are payable by Friday 5 February**
