

# SCHOOL DONATION AND ACTIVITY FEES 2014

## SCHOOL DONATION

- Your School Donation will be used to provide your child with the very best in education at Remuera Primary School
- The Board of Trustees encourages every family to contribute to funding the school via payment of the School Donation.
- The Board requests \$465 per student (\$232.50 for 3<sup>rd</sup> and subsequent sibling currently enrolled) to enable it to provide resources and facilities that Government funding covers for many schools but not for us
- The Board use these funds to ensure your child receives the very best in education. Your donations pay for, amongst other things; smaller class sizes, enhanced Music and Sport Programmes, Gifted and Talented programmes and enhanced professional development for Teachers. They are also key in helping the Board enhance the Physical Environment of the School and are being used to partly fund a School Redevelopment Programme which includes classroom refurbishment and modernisation and the eventual development of a New Library / ICT Facility.
- If you find yourself genuinely unable to pay the full amount please feel free to discuss options with the Principal.
- If you do pay, thank you very much. The Board intends to publicly thank those who have paid the school donation in full.
- The Board intends to contact those families who have not paid the donation by reminder letter and phone.

***Your donation really makes a difference to the quality of your child's education. Please include payment of your donation with your activity fees.***

**Activity fees are payable by Friday 7 February**
