

REMUERA PRIMARY SCHOOL

DEVELOPMENT TRUST

Providing for the long term financial security of our school

The RPS Development Trust aims to make a difference in the standard of education provided to our children, today and tomorrow, by supporting the school to meet its strategic goals through ongoing financial support.

Established to secure the long term financial security of our school, the Development Trust is focused on building a capital investment fund, with the annual investment returns available to the school.

You can support RPS by contributing to our fund:

Donate a tile for our Heritage Tile Wall located in the hall foyer (a permanent record of your family being part of our school community), or

Donate a pledge/gift to the Trust fund

Your support makes such a difference to our school

If you are interested in getting involved in the Trust, please get in touch with one of our Development Trust Trustees: Mandy Callender, Rosie Sparling, Jason Goodall, Nelson Wang, Paula Evans.
