

I look forward to getting to know my students as they continue their learning journey. I am also excited about the opportunity to help them to work together and to lead their own learning. I enjoy anything to do with languages or Art, including Reading, Drama, and Writing. It's especially fun to teach these subjects because I get to experience my student's creativity.

I am an animal lover and have a cat called Gemma.

I am excited to teach Year 4 students again. I am looking forward to working with you and your family in 2020.
