

I teach a Year 4 class in Room 24, together my students and I like to create a kind, supportive and encouraging learning environment, where all students are challenged in a fun and engaging way. I want my students to be passionate learners, willing to take risks knowing that I will fully support them.

I have had such a wonderful time teaching Year 4 at RPS for the past two years, so I'm thrilled to be teaching it again this year. The best part of my job is watching the amazing development of the children in my class academically, socially and emotionally.

During the holidays, my family (husband Jonathan, daughters Penelope (10 years) and Millie (7 years), and our black labrador Bella) like to spend time with friends and family relaxing at the beach, paddle boarding (with Bella) and hopefully catching some fish!
