

Your teacher

Hi! My name is Mikaelah (Mrs. Cash) and I am a Year 5 teacher in Room 30 for 2020. This will be my second year at Remuera Primary School. I grew up in the sunny Hawkes Bay with my mum, older sister and younger brother. I moved to Auckland four years ago with my husband, I love it here despite the not so sunny part! I am a very creative person and love drama and music. Music has been a big part of my life and this past year I took on the Senior School Choir at RPS, which has been so much fun. I like my classroom to feel like a family, a safe place for everyone, and I have high expectations of my students.

In my spare time, I like to spend time with my husband and my friends, bake, watch movies, do some photography or go for walks.
