

My name is Dani Vulinovich but to make life simple my students call me Miss V. I have enjoyed my first 2 years teaching at RPS and in 2020 I am very excited to embark on my third year with another wonderful group of students.

In 2014 I completed a Bachelor of Visual Arts at AUT, and I finished my Postgraduate Diploma in Primary Education in 2017. When working overseas for 2 years as a teacher's assistant I realised there are many interesting ways to incorporate the arts in the classroom. I believe in making learning fun, relatable and engaging, so encourage my students to share their interests and passions with me so that I can make 2020 a challenging and successful year for them!

I encourage my students to work hard, achieve goals and of course have a great time along the way.

A few things about me...

1. I love being outdoors – playing soccer, tennis, swimming, relaxing on the beach in summer, going on bush walks and generally being in the sunshine.
2. Whilst working in England for 2 years I got the opportunity to experience visiting new places, trying new foods and meeting new friends. I was fortunate enough to visit 20 different countries:

Ireland United Kingdom Denmark Germany France Austria Italy Spain
Portugal Morocco Greece Macedonia Albania Montenegro Scotland
Hungary Bosnia Croatia Netherlands Belgium
