

**My name is Alix Osbaldiston, my students call me Miss O. Year 6 in the Senior School is full of amazing opportunities, wonderful new learning and getting prepared for intermediate. I to getting to know you my students, and together we work hard, to achieve your goals and of course have lots of fun along the way.**

**A few things about me...**

**1: I am originally from Mount Maunganui in Tauranga. I grew up there with my family – mum, dad, older sister Che and younger brother Adam. I love my family and it is always great to go home and visit them.**

**2: I love being outdoors – going skiing in the winter, relaxing on the beach in summer, going on bush walks and generally being in the sunshine.**

**3: I was lucky enough to have two big adventures in 2018 – spending 2 months travelling South East Asia with my brother and sister then 3 ½ months travelling around South America. It was a fantastic experience - visiting new places, trying new foods and meeting new friends. I cannot wait to see where my adventure will lead me.**
