

I am looking forward to teaching again with Mrs Pengelly in Room 13 in 2020. I will be teaching Monday to Thursday and Angie will be teaching Fridays. I have taught for many enjoyable years, mainly in central and east Auckland. My family and I also lived overseas for several years, which was an amazing opportunity to work and see the world at the same time.

I have two busy children one of whom will be Year 13 and the other will be Year 9 in 2020. I also have a third furry child...a spoodle named Molly (who rules the roost) and I can't forget the two cats, which also make up part of our household menagerie. Angie also has a big fur baby who keeps her busy.

We are looking forward to being your teachers next year!

Mrs B and Mrs Pengelly
