Your teacher Hello and welcome to your first year of school. My name is Nadia Abdeljaber and I cannot wait to meet you in a few weeks. Get ready to try lots of new activities, make awesome new friends and learn heaps of cool stuff.

A little about me...

- I grew up in a city called Oxford in the United Kingdom. I have a big family, four sisters and two brothers!
- My first ever teaching job was in South Korea, since then I have taught children in Spain, Vietnam, the UK and New Zealand.
- I have lived in New Zealand for the past four years and I love exploring this beautiful country. Stewart Island and Fiordland are still on my to-do list.
- In my free time, I enjoy playing tennis, hiking, reading, baking and painting.

In the first few weeks, we will be doing lots of getting to know each other activities. I am looking forward to learning about the different families and cultures in the class. It would be lovely to get some family photos for these activities. Please send them to me via email or bring them to class.

See you soon
Ms. Abdeljabar
