A pencil sharpener

An eraser
Coloured pencils

Hello and Welcome to Year 4!

Year 4 is an exciting Year Level of which to be a part.

We have many things planned this year which will enhance and enrich our learning!

In Room 20, we will be focusing on Learner Agency, taking control of your own learning, self-management, and growing as an individual who can make decisions to improve and develop academically and socially.

In Room 20, we love to get outside, stay active, stay healthy and stay fit to grow our minds and body.

One of the most important things in Room 20 is our relationships. It is very important that we treat each other with respect, look after each other, and make sure everyone is feeling comfortable and happy.

About Me:

I love all sports; especially surfing, rugby, cricket and golf. I played touch rugby for England in the 2019 World Cup in Malaysia. I also played for North Harbour in 2020 Touch Rugby Nationals, where we won a silver medal. I play a lot of guitar too!

Room 20 is going to be a fun and exciting year and I can't wait to get to know all of you and help you grow into the fine students you will be!!

Thanks, Mr Angell.
